### About

Are you moving to a new home or a new community? Whether you are moving across the street or a few towns over, our local movers are ready to help make your move go as smoothly as possible.

We offer highly specialized, unparalleled local moving services. When you hire 2 Men Trucks Moving Company, you can count on a uniformed, friendly, courteous, professional crew in one of our branded trucks to arrive at your home on the day of the move - on time, barring weather or traffic conditions, with a clean and fully equipped truck for all your moving needs. Your local move includes the use of a truck on moving day, four complimentary wardrobes and four large picture cartons, as well as two complimentary shrink wraps and two new mattress bags to prevent soiling.

Our local movers always take care to protect your home and your possessions. We will bring 16 rubber floor runners to protect your hardwood, ceramic and carpeted floors; banister rail coverings to protect your railings and sufficient furniture blankets to protect your furniture, which we wrap and unwrap in the home, preventing damage while the furniture is being carried to and from the truck. In addition, all furniture with glass will be further protected with cardboard on top of the pad, in the areas where the glass is located.
