United Van Lines announces new President

United Van Lines just announced that **Dan Lawrence** has been appointed as their new President effective September 1, 2017. "We are fortunate to have a knowledgeable, experienced and dedicated new President to work with all of us for the continued success of our van line and Member Family," said **Chairman of the Board Rod Speers**.

On behalf of its Board of Directors and members, **CAM President Pat Greaney** expressed CAM's excitement at the appointment and noted that "we wish Dan the greatest success in his new position. We look forward to continuing the Association's strong bond with United Van Lines and working with Dan to the mutual benefit of United, CAM and moving industry as a whole."

Eades joins Lawrence, Lawrence, Stevenson LLP

L. Murray Eades, legal counsel to **United Van Lines** since 1962, has just announced he's joined a noted Brampton legal firm: *Lawrence, Lawrence, Stevenson LLP*. With this transition, Eades will still provide counsel to his clients. However this will also avail them of the services of "very capable lawyers and support staff," says Eades.

Send us your news

About Victory Packaging

Our Company

Victory Packaging, established in 1976, headquartered in Houston, Texas. With more than 60 operating locations; including three Canadian Warehouses; Victory is one of the largest packaging distribution companies in North America. We are Architects of Packaging Solutions whose goal is to provide value and exceptional service to our patrons. At Victory Packaging, we work with you to help rethink what your packaging is made from, how it's designed and engineered and how it gets to where it needs to go. From our state-of-the-art packaging engineering and design capabilities to dedicated logistics solutions, fulfillment and everything in between, we've got what it takes to help you find your business's untapped efficiencies and create new ones.

Our success is built on the practice of optimizing customers' efficiencies in design, use and logistics.

Services

Victory Packaging continually grows to meet the needs of our customers. In addition to the strategic procurement of packaging, we are proud to have available the following services:

- Distribution
- Fulfillment Services
- Warehousing
- Vendor Managed Inventory
- Just-In-Time Delivery
- Inventory Consignment
- Productivity Improvements
- Engineering and Design
- Customer Support Center

As one of the longest standing members and supporters of CAM, Victory Packaging would like to thank all of those in the moving and storage industry that have trusted us to provide them with the packaging supplies and services over the past 25 plus years!

THE WORKING MIND (TWM)

TWM (www.theworkingmind.ca): Workplace Mental Health and Wellness is a science and education based program designed to address, promote mental health and reduce the stigma of mental illness in a workplace setting.

As a result, NSTSA is pleased to offer this training to our industry based on the Mental Health Continuum Model on which The Working Mind program is centered.

We offer *The Working Mind* program for managers & supervisors (full day workshop) and for workers (half day workshop). It is an evidence-based program designed to:

- Reduce the stigma of mental illness
- Increase awareness of mental health
- Offer resources to maintain positive mental health and increase resiliency

AUGUST 16, 2017

(8:30 AM – 12 NOON, INTRODUCTORY SPECIAL OFFER OF \$25)

THE WORKING MIND FOR WORKERS

Workers Session includes:

- A focus on dispelling the myths of mental health problems and mental illnesses, aiming to reduce associated stigma
- An overview of the Mental Health Continuum Model
- Self-assessment of one's own mental health along the continuum
- Strategies one can apply at each point along the continuum

AUGUST 23, 2017

(8:30 AM – 4:30 PM, INTRODUCTORY SPECIAL OFFER OF \$50)

THE WORKING MIND FOR MANAGERS & SUPERVISORS

Session includes workers' session content plus:

- Workplace accommodations and return to work
- How to observe changes in employees along the continuum
- Appropriate actions to take
- How to communicate with employees about mental health illness in a workplace context

THE WORKING MIND (TWM) TRAINING PROGRAMS

Workplace Mental Health is fast becoming one of the highest priority concerns among Canadian employers

1 in 5 people (over 200,000 Nova Scotians) experience a psychological health problem or issue in any given year

Psychological health problems cost the Canadian Economy over \$51 BILLION per year
