

Todd Graham, President of AE Worldwide, is pleased to announce the addition of Curt Smigel to the AE Worldwide sales team! Curt has joined the sales staff as Regional Sales Director. Curt's sales efforts will be primarily focused in the Central States corridor.

Curt Smigel has over 15 years of experience in the Household Goods industry, having represented agents for United, Mayflower, North American and Atlas Van Lines. Curt also possesses expertise in Office & Industrial and Crating activities. He is a well-recognized and respected individual among the van line agents throughout the country.

Mr. Graham says, "Curt's in-depth understanding of the agents needs makes him a perfect fit to represent AE Worldwide in the Relocation and Moving Industry. The AE motto is 'The Final Piece for the Perfect Move' and Curt certainly fits nicely into AE's part of the relocation puzzle".

AE Worldwide has been providing specialized services to the Relocation and Moving industry since 1964. We provide origin and destination services throughout the USA, Canada and beyond to the national account and the COD client. The services we provide include but are not limited to appliances, pianos, crating, uncrating, exercise equipment, plasma televisions, pool tables, swing sets, waterbeds and much more.

The defining factor that sets AE Worldwide apart from its competition is our 3500 square foot training facility dedicated to our contractors. Our Tomorrows' Technology Today (3T) training facility enables us to train them in the "Mover" way of needing things done to get items from point A to Point B without claim issues!

Curt is also excited about joining AE Worldwide. He states, "It is a natural for me to represent the quality driven services of AE Worldwide, a leader in the third party service industry, to the mover agency base that I have cultivated relationships with over the past 15 years".
