**FIRST ANNUAL ARPIN GROUP E-WASTE FEST 2009
KEEPS NEARLY 24,000 LBS. OF ELECTRONIC WASTE OUT OF LOCAL
LANDFILLS**

Arpin Group receives ABC6 Green Conscious Company of the Year Award

WEST WARWICK, R.I. (October 6, 2009) - The First Annual E-Waste Fest 2009, a folk festival and e-waste recycling event hosted by worldwide mover, Arpin Group, Inc. and electronic waste recycler, Cartridge World RI, collected 23,860 lbs. of computers, printers, monitors and other electronic waste for safe disposal, preventing these items from landing in local landfills.

In addition to e-waste, Affordable Shredding was on hand to shred 4,200 lbs. of paper, to help reduce concerns about identity theft. In total, the event raised \$3,200 to benefit local environmental group Save the Bay, which helps to protect and restore Rhode Island's Narragansett Bay.

During a special live broadcast, ABC6 presented Arpin Group, Inc. with the station's first *Green Conscious Company of the Year Award*.

"We were very pleased with the turnout at E-Waste Fest 2009," said Peter Arpin, partner, Arpin Group, Inc. "It shows that we were successful at drawing attention to the ever-growing need for members our community to engage in environmentally smart practices. We hope to continue this positive trend of awareness and collect even more electronic waste next year."

E-Waste Fest 2009, held at the Arpin Group, Inc. campus in West Warwick, R.I. on Saturday September 26, was a daylong campaign that featured musical acts, entertainment, educational programs and family activities. Arpin Group, in partnership with Cartridge World, traditionally hosts two e-waste recycling events per year. Further details may be found at <http://www.ewastefest.com>.

About Arpin Group, Inc:

Arpin Group, Inc. is the holding company for Arpin Van Lines, Arpin International Group, Creative Storage Solutions, and Arpin Broadcast Network, LLC.
