Tim Trout Joins Arpin International Group in Boston as International Operations Manager

BOSTON (October 14, 2010) - Tim Trout has joined Arpin International Group as international operations manager at its growing customer service center in Boston.

As international operations manager, Trout will oversee all facets of the international shipments handled in the Boston office to include quoting, billing, claims and shipments as well as customer inquiries. He will also assist with business development and client presentations.

"Tim will be a great asset to our relocation team," said Mark Dearborn, managing director of Arpin International Group in Boston. "He has over 18 years of experience in relocation management, logistics and service marketing, which makes him the ideal choice for this role."

Trout comes to Arpin International Group after having held previous positions as managing director, operations manager, international relocation coordinator and general manager for a transportation firm in Japan. Trout graduated from Pennsylvania State University with a bachelor's degree in business administration.

About Arpin International Group:

Arpin International Group, founded in 1989, is a world-leading licensed freight forwarder, specializing in domestic and international moving for corporate, government and military customers. Arpin International Group is the global division of Arpin Group, Inc., which is the only family owned and operated company that has remained dominant and successful for more than a century. Arpin International Group believes in keeping the moving process simple. Customers are assigned to a personal Customer Care Representative who manages the entire door-to-door household goods shipment process. Its sister companies include Arpin Van Lines, Creative Storage Solutions and Arpin Broadcast Network, LLC. Arpin International Group is a member of the Customs Trade Partnership Against Terrorism, the International Movers Association (IAM) and the world headquarters and UK offices are fully accredited by FIDI.
