New membership fees in 2016

CAM's membership fees will be increasing slightly in 2016 to keep pace with rising costs. Membership fees for Movers, Suppliers, Affiliates, Internationals and Van Lines will increase by \$50 per annum. There will be no increase to the rate for branches of any of these, nor to the rate for companies with multiple (more than five) locations. The changes will take effect for memberships that commence in January 2016.
