SPONSORSHIP OPPORTUNITIES

CAM 2022 ANNUAL CONFERENCE SPONSORSHIP OPPORTUNITIES

WHY SHOULD I SPONSOR?

CAM members love attending the annual conference. For 25 years, CAM has provided an opportunity for our mover members to learn, socialize and spend time with suppliers to learn of new ideas and deals available to them.

We are excited that the 2022 conference is looking more assured to go ahead in November with an opportunity for members to get that much needed social interaction that we've all been craving. We anticipate good attendance as this is the first time we've been in the Edmonton area and local members have been excited about having the conference in their backyard.

CAM is thrilled with your positive engagement and we are encouraged with the support of our partners. The conference is CAM's major source of non-dues revenue. We recognize that your commitment to our Association is a major reason why we are able to put on quality conferences with fantastic speakers and topics. This year, our sponsors can help CAM to recover from the impact of our last two years conferences being postponed due to the COVID-19 pandemic.

Any level of support of the Canadian Association of Movers is welcomed, respected, and acknowledged. We hope that you will review this package and find a sponsorship level for this year's conference that fits with your marketing plan. As always, we are open to new ideas, so if you have a different proposal in mind, let us know!

CAM is eager to start promoting our sponsors, so look for 2022 sponsorship promotion beginning with the June 15th newsletter.
