New this year:

Online Registration and Event App

CAM will be rolling out an online registration program for attendees which will include an app and a website link with a specific exhibitor section. Exhibitors will be able to customize their information and scan attendee QR codes. We know we are a small group, but it was a request from 2019 and we want to have it in place as the conference grows in numbers.

For 2022, Marian and Nancy will be registering exhibitors and sponsor partners the old-fashioned way as there is carry over registration and complicated sponsorship structures as a result of 2020's postponed conference. More information on the Pheedloop registration program will be released by July.

More Exhibitor Exposure!

Welcome Reception

Exhibitors are going to be asked to set up on Sunday, November 13th by 5 pm as CAM will be holding the Welcome Reception in the exhibit area. Attendees can test their skills on the 9-hole mini putt course, or challenge colleagues to some easy skill games while catching up with everyone and getting an early peek at what you have to offer. There will be a limited number of opportunities to "own a hole" and customize it with your own flair. Interested? Contact [Nancy](#) to discuss.

As well, for the first time, local movers will be encouraged to bring some of their staff with them to meet you and their fellow movers.

Exhibitor Extravaganza Draws

Instead of just one chance to win in the exhibitor's draw on Tuesday afternoon, we thought we would give the mover attendees more chances to win! We'll still have the iPad mini to give away, but we're also going to draw for a \$50 gift card from each exhibitor. Many of you like to have your own draws too – they can either be separate or add ons to the Extravaganza. Talk to [Nancy](#) about enhancing.
