

Owner Operator – Canada-wide

About us

QMM has successfully relocated people to all corners of the globe for over 25 years! Our reputation sets us apart from other moving companies because of our constant commitment to quality, paying close attention to each moving detail. QMM was named Allied Canada's Agent of the Year in 2011, 2013, and 2020, and Allied Van Lines Agent of the Year in 2019. We have locations in Vancouver, Calgary, Toronto, and Edmonton. QMM is a growing organization, and our team includes diverse professionals committed to providing a premium moving experience to our corporate and private clients. Technology allows QMM to improve both performance and overall effectiveness. We believe in corporate social responsibility and partner with many organizations within our community.

We're looking for Owner Operators to join our team for Domestic Canada and Cross Border routes. We have short haul and long haul options available. Join our team now!

What You Will Be Doing

- Experience in all aspects of household goods moving; packing, loading, transporting, unloading/unpacking and set up.
- Complete required move paperwork accurately for all services provided and submit to Operations timely.
- Arrange sufficient labour to completed assigned job
- Provide leadership and direction to labour to ensure they are fulfilling client requirements efficiently and in a positive manner
- Clear and timely communication with the client, move coordinators and operations managers
- Provide accurate schedule and successfully meet all assigned load/unload requirements
- Operate a tractor-trailer in a safe manner at all times and in accordance with the law
- Ensure vehicle maintenance is completed regularly to ensure safe operations of the tractor-trailer

What You Will Bring Along

- Valid Class 1 Licence and passport is required
- Clean driver's abstract
- Valid Worksafe account
- Clean criminal record check
- Financially stable and responsible
- A reliable tractor
- Must have excellent leadership, communication and customer service skills
- Experience and knowledge of DOT regulations and maintain ELD compliance including HOS and pre/post trips
- Knowledge of cross border customs requirements and E-manifest process
- Comfortable with smartphone technology

What Can We Offer You for All Your Hard Work?

- Bi-Monthly driver pay settlements with focus on faster pay of shipments
- Self-haul service delivery model including pack/unpack with Corporate account focus
- In house operations planning and logistics
- QMM Trailer program, new and well maintained equipment
- Driver's lounges with full kitchen, washroom/showers and laundry
- A company with a commitment to success
- Year round tonnage with strong account base
- Strong vendor relationships with competitive rates for packing material and fuel cards
