The board of directors of the Canadian Association of Movers (CAM) ensures that CAM operates lawfully and in the interests of the association's members. It functions independently of CAM's management and day-to-day operations and considers important issues relating to the association, its members, its employees and contractors, and the public.

You are urged to review the Director's Roles and Responsibilities before you submit your application.

A director's term is for two years starting once confirmed at CAM's Annual General Meeting held in November.

Other/any suggestions?

CAMs board of directors meet by Zoom call or have an emailed update approximately 3 times a year between late September and early May and in person on the Sunday before the November conference begins. Between work within and outside of meetings, hours of commitment would probably vary between 3-5 hours per quarter. Board members are expected to commit to the role for a two-year term beginning in November.

Will you be able to make this commitment to CAM?
