

Doll-E Special Offer: 40% Discount on Pre-Orders!

While **Doll-E, the stair-climbing mover's cart**, will officially launch in early 2020, **Quantum Robotic Systems** is pleased to offer CAM members a very special early-bird discount:

- **Pre-order now and save 40%!**
- List price: \$7,995; Pre-order price: **only \$4,800**
- Pay over 4 months – **only \$1,000 per month** with an \$800 deposit
- Pre-ordering deadline: **November 30, 2019**
- Limit: **first 10 units**

Based on our tests, **Doll-E** offers substantial **savings, allowing a 2-person crew to do the job of a 3-person crew in less time**. This means that you can save up to **1 full time salary**.

And since Doll-E's lifting capacity is over 500 lbs, it can be used to **move virtually everything** in a typical house: **boxes, bins, furniture and appliances**.

Don't miss out! **Email** our sales department with "Doll-E CAM 2019 Promo" in the subject line to reserve your pre-order.
